\_\_\_\_\_  
(Date)

Dear Store Manager or Dairy Buyer of \_\_\_\_\_,  
(Name of Store)

I would love to be able to buy WholeSoy & Co. Soy Yogurts at my favorite store! WholeSoy & Co. makes the only certified Organic & Non-GMO yogurt made with only U.S. grown soybeans. Please consider stocking the flavors I've checked below in your store! I would like to be able to purchase them here.

If you need additional information for ordering product, please contact Kathy Housman with Oasis Sales & Marketing at (707) 824-0119.

Thank you for considering this request!

Sincerely,
